

Met en the grace Revie Livrary from The Class of 1963 This book has been given to the GREENFIELD PUBLIC LIBRARY by

Greenfield High School Greenfield, Mass.

**Foreword** 

This, the 1963 EVERGREEN, is essentially a book of pictures depicting school life at GHS. Compilation of a good yearbook is not an easy task as new ideas are at a premium. We have changed the format — chiefly eliminating written descriptions and using instead witty sayings and entertaining captions. New and original layouts have been incorporated. The EVER-GREEN, with its varied pictures of places and events, has undertaken the task of recalling happy memories — some unhappy — for the Class of '63.

Fellow classmates may often refer to this annual for a pictorial record of school activities and achievements. We could not capture the intangibles, but we have tried to summarize with photographs and words those wonderful times at GHS. As years go by may you show this book with pride — ever proud like the stately "evergreen."

#### Dedication

We, the Class of 1963, dedicate the 1963 EVERGREEN to a group who have given so much of themselves to us and who, in turn, have received little appreciation from us. They have been with us, not only in our senior year, but always.

The love and devotion of this group have helped us to turn dreams into reality. Our achievements, failures, sorrows, and joys were shared by them. Their guiding hand has given us mental, physical, and financial security. Our faith and hope were often renewed because of their interest and concern in us. It is through their living examples that we have learned kindness, generosity, and humbleness. Along with our teachers, members of this group have devoted an infinite amount of time imparting knowledge to us. Therefore, "from these roots," we have grown into useful, meaningful members of society.

We pause now to express our deep love, respect, and appreciation to them for all they have done, so that each one of us might become strong and sturdy like an "evergreen," and do proudly dedicate the 1963 EVERGREEN to OUR PARENTS.

## Appreciation

We, the Class of 1963, would like to give special tribute and thanks to two men, Mr. John A. Murphy and Mr. James J. O'Neil, Jr., who have been, we feel, a very close part of our class.

Serving as our Guidance Counselor in our sophomore year, Mr. Murphy helped us with our problems so we would become better students. He gave freely of his time and knew each of us as individuals. Although Mr. Murphy served as Vice-Principal in our junior and senior years, he maintained his sincere interest in the Class of '63, ever willing to help us in the same friendly manner.

Many members of the Class of '63 had Mr. O'Neil as a teacher of English and Social

Studies. His classroom atmosphere not only challenged us, but it was always enjoyable. Mr. O'Neil took time to know students who were not in his classes and with his wit and charm won their hearts.

We take this opportunity to express our sincere APPRE-CIATION to Mr. Murphy and Mr. O'Neil who have helped us live three of the happiest years of our lives.

SENIORS

## Class Of 1963

Leaving many memories in the hallowed halls of GHS, the Senior Class also leaves many tangible things which were introduced during 1962 and 1963. Two new clubs were started: the Key Club and the Varsity Club. The Key Club was under the leadership of a senior president, George Quadrino, and senior boys helped bring the Varsity Club into reality. The new Student Patrol System was under the direction of seniors. Something entirely new, the "Teen Scene," a page in the Greenfield Recorder Gazette edited by the local junior and senior high schools made its appearance. Under the influence of seniors the price of the "Exponent" decreased. Seniors also produced a spectacular play, "Grandpa's Twin Sister." (We had many offers to produce the show on Broadway, but being a modest group we gracefully 20

refused! Besides, we had too much homework!)

After Christmas vacation we came back with bright 'n shining faces, lots of New Year's Resolutions, cases of Metrecal and No-Doze. Finally, after a long, hard, cold winter the momentous month of June rolled around. First, there was the Senior Prom where everyone had a wonderful time. Then came graduation. As we marched into the auditorium we made only a few mistakes. (But after all, we'd only practiced marching since February!)

That day of graduation on June 25, 1963, was probably the most important day in our young lives. It was both an ending and a beginning. The Senior Class of 1963 now surged on to do great things in the

world of tomorrow.

UNDERCLASSMEN

Officers of the Junior Class, chosen in the fall, are active participants at GHS.

Bruce, Assistant Homeroom Chairman in his Sophomore year, became President. At present, he is a member of the Key Club as well as a member of our football squad and Student Council.

Lois, President of the Student Council in her Freshman year, on the Exponent Staff in her Sophomore year and a member of the National Honor Society, was elected Vice-President. This year she is again on the Exponent Staff, a member of National Honor Society as well as a member of the Pep Club, Junior Classical League, and Tri-Hi-Y. Lois is very active in basketball and softball and yet finds time to be one of our cheerleaders.

Janie held various offices in her Freshman year and received the Silver-J Award. She also served as

Assistant Homeroom Chairman in her Sophomore year and President of Tri-Hi-Y. This year she became a member of the Student Council, Exponent Staff, Pep Club, Junior Classical League, and Tri-Hi-Y.

Deedee, our Treasurer, served as Homeroom Secretary and received the Silver-J Award in her Freshman year. While in her Sophomore year she held the office of Assistant Homeroom Chairman. In her Junior year Deedee is a member of the Pep Club, Junior Classical League, and Tri-Hi-Y.

Some Juniors are presently serving as monitors, student librarians, and members of athletic teams. Many Juniors are busily discussing plans for their Prom. Already committees are active and ready to make the Junior Prom a night to remember.

Electing class officers early in the fall set the Class of '65 off to a flying start.

Sophomores immediately got into the swing of things at GHS by sponsoring one of the first school dances. On Thanksgiving they held the "Plymouth Rock" and were pleased to see so many of the students and alumni in attendance. (By the way, the name of the dance was a combination of Plymouth — relating to Thanksgiving and "Rock" — a name of a dance, which helped to stimulate interest in ticket sales.) Goal posts, green and white decorations,

and "Plymouth Rock" enhanced the cafeteria.

Officers pictured above have been active in Junior High School. Steve, Robby and Sue earned Silver J's last year and at present are playing in the school band. Steve is Secretary-Treasurer of homeroom. Karen served as President of Tri-Hi-Y last year and is recently active in the Pep Club.

With such capable leaders and a willing class we Sophomores hope to uphold the GHS Motto: Loyalty, Honor and Scholarship.

#### FAST AS THE EYE CAN FOLLOW

Drilling five  $1\frac{1}{8}$ " deep holes at once in forged steel "spiders" for universal joints, these drills move in and out about as fast as the eye can follow on this high production job at the Saco-Lowell Automotive Division plant in Saco, Maine.

At this speed, even a few minutes down time means considerable loss of production. That's why they insist on quality tools, tools they can depend on to stand up day in and day out, month after month, tools that are uniform order after order.

Specially researched GREENFIELD-AMPCO drills have been on this operation longer than any other make in the long history of this gruelling job.

# PERMANENT INVESTMENTS

We congratulate you upon the completion of your High School course. Your diploma is the symbol of a wise investment in permanent values — values that will be a sound foundation for continued growth, wherever you go, whatever you do.

Sometime in the future you will have a need for tools — for your job, or your hobby or home repairs. When this time comes, look for the Millers Falls trademark — the symbol of permanency on tools. Since 1868 we have constantly searched for better materials, designs, and finishes to give lifetime utility to the tools we manufacture. Given reasonable care these tools will "season" in use, taking on a character all your own and will be lifetime friends known and proven by the work they perform.

Dear Reader of 1963 EVERGREEN -As you have looked through our yearbook and enjoyed pictures, or prose, bringing back memories of GHS, did you stop to think of the long hours of work put in to make this book possible? I realize this and I want to publicly thank my Assistant Editors, Eileen Pulaski and Beth Winer, for their patience, work, enthusiasm and diligence. To the other members of my Staff I am deeply grateful for their ideas and cooperation. Our advertising section is a credit to Alan Oates, Manager, and a special thank you goes to Mr. Howard Boucher of the faculty who coordinated the Advertising Staff. Mary Tucker, Secretary, and David Sauter, Business Manager, gave freely and willingly of their time and effort. To Miss Marion L. Congdon, our Advisor, I wish to express my gratitude. With her experience, advice, and friendly understanding, we have published a fine book. Without her, the job would not have been so much fun, nor such a wonderful experience. Thanks again, Miss Congdon. Sincerely, Sandy Singiser Editor
